

# Everio

## Standard Everio Features

### HD Upconvert (selected models)

**1080/50P**  
Output

Certain high-end models in the Standard Definition Everio lineup are equipped with an HDMI™ terminal capable of outputting 1920x1080P up-converted video. You can enjoy video playback on HDTVs.\*

\* TV must be compatible with output formats.

### 35x Optical Zoom & 38x Dynamic Zoom

35x optical zoom for incredible magnification with full optical quality. The Megapixel Everio G model even features the Dynamic Zoom function which uses nearly all of the effective pixels of the CCD to achieve zoom magnification up to 38x without any degradation of picture quality.

**38x**
